ABOUT WASATCH

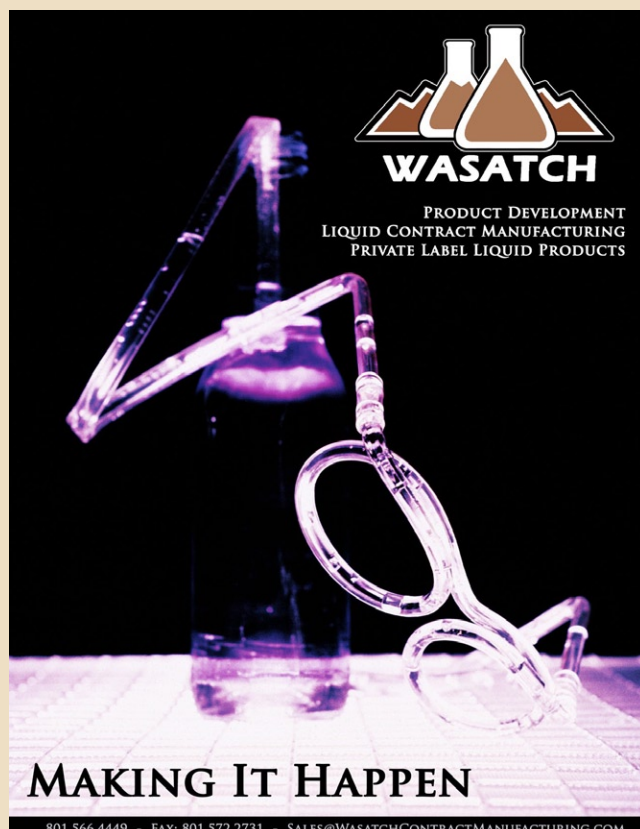

Wasatch Product Development is a full service cGMP Product Development Laboratory. Our core competencies focus in the formulation and manufacturing of Skin Care, Hair Care, Dental Care along with unique, customized and proprietary products for the Personal Care Industry. We also specialize in treatment-oriented products.

Wasatch Product Development Labs currently employs 2 degreed chemists with a broad range of expertise and has 8 lab technicians. Wasatch currently employs 92 employees, 30-45 temporary employees and is located in a brand new 77,000 square foot climate controlled facility in Draper, Utah.

STRENGTHS & WEAKNESSES

By providing high quality products and conscientious service at fair prices, Wasatch Product Development enables its customers to develop their businesses by doing what they do best; selling and marketing. Our customers include marketers of consumer package goods, multinational pharmaceutical companies, and smaller scale marketers of consumer package goods, multinational pharmaceutical companies, and smaller scale marketers of niche products.

Wasatch Product Development specializes in small and medium sized runs of creams, lotions, ointments, liquid soaps, and gels (anti-aging, cosmeceuticals and nutraceuticals). We have the capability of packaging your product in tubes, bottles, jars, and pouches, or bulk packaging in drums and pails.

Our facilities and equipment are of the highest caliber. Our plant is located in the Wasatch Range of the Rocky Mountains of northern Utah with easy access by common carrier. This Western States location has many benefits to both regional and national marketers along with a Delta Airlines Hub.

A modern building houses all manufacturing operations in one location for maximum efficiency. Our warehouse is fully equipped to receive and store raw materials, packaging components and finished goods. Manufacturing planning, inventory control and shipping systems enable excellent accountability and nationwide delivery to you or your customers. We ship on time, delivering on our promises so you can deliver on yours.
